SOFTEN THEIR STRIDE

Easy on the eyes and easy on horses' lungs and legs, QuaBoing® makes an excellent addition to any arena!

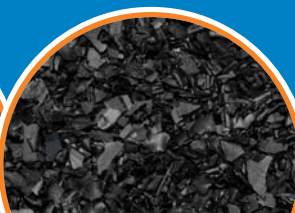

- **NOT TIRE RUBBER!** Does not contain steel and other harmful debris found in arena footing derived from old tires
- Clean, low-maintenance, aesthetically pleasing rubber surface that absorbs concussive forces
- Premium rubber helps to control dust
- Composed of all new pre-consumer material
- Eases maintenance by reducing compaction
- Available in black, tan, and a premium mix of earth tones
